

REPORT HATE. DON'T IGNORE IT.

THIRD PARTY REPORTING CENTRES HAMPSHIRE, ISLE OF WIGHT, PORTSMOUTH & SOUTHAMPTON

WHAT IS A THIRD PARTY REPORTING CENTRE?

It is widely accepted that hate crimes are under reported. Not all victims are comfortable with reporting their experiences directly to the police. Some victims may find visiting police stations intimidating or daunting, some may not be aware of alternative ways of reporting, or they fear being outed in terms of their sexuality or disability.

Third party reporting centres (TPRCs) overcome these barriers by providing an alternative way to report a hate crime. They give confidential advice, help you report it, and support you along the way. You can remain anonymous if you wish, and you don't need to have contact with the police if you don't want to.

WHAT IS A HATE CRIME?

Any criminal offence which is perceived by the victim or any other person, to be motivated by hostility or prejudice based on a personal characteristic, specifically actual or perceived race, religion/faith, sexual orientation, disability and transgender identity.
