Let's **Plan** **Ahead**

Lasting Power of Attorney health and welfare is for everyone

Sometimes we think putting personal plans in place is something we do when we are older, and we postpone the decision.

But what would happen if your life changed suddenly through an accident or serious illness and you could no longer make decisions about your health and welfare?

A Lasting Power of Attorney (LPA) allows you to give someone you trust the legal power to make decisions on your behalf in case you later become unable to make decisions for yourself.

Make your wishes known in case of the unexpected happening:
